

CLAIMS

- I. What I claim as my invention is The Memorial Carrier to be used for but not restricted to:

carry Urns, photos, or remembrance items of loved ones arranged centered within

a floral arrangement

allow the use of pall bears to carry the Memorial Carrier into the services,

ceremonies and to the final resting place

display as a keepsake at the final resting place
- II. The Memorial Carrier of claim 1 is constructed with Pine wood and the items mentioned in claim 1 will be housed in the Carrier which:

is 12 1/2 inches squared and will be screwed into two 31 inch polls

will have 9 inches to extend out of the sides of the Carrier structure for carrying

allows easy transport of loved ones remains and or memorabilia to and from

services, ceremonies, and final resting place

can be plain, painted, stained, decoratively trimmed, molded and/or customized to

client's specifications
